

Family Sunday Garden Guide

June 2021 Theme: Growing Together

Use this guide to explore our gardens!

Start with Mike MacDonald's Medicine and Butterfly garden, *Planting one Another*, then check out our Sculpture Garden.

MacDonald created gardens to make space for contemplation, and invite slow looking and interaction with medicine plants.

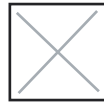

Family Sunday is sponsored by:

Design and Draw

Explore the Sculpture Garden!
Draw your own unique sculpture
by taking different parts from the
sculptures around you. Create
something totally new!

Pick Your Favourite Sculpture

1. Why is this your favourite sculpture?
2. What words would you use to describe it?
3. How do you think the artist created this sculpture?
4. How does this sculpture make you feel?
Why does it make you feel that way?
