CALL FOR SUBMISSIONS

Waterloo Regional Public, Catholic, and Independent Schools are invited to submit an original student artwork for *Expressions 44*.

Students are asked to respond to the theme *Creative Communities*, inspired by the collaborative artwork *Fruit Bowl* by Grade 1-2 students from Vista Hills Public School. Students are encouraged to explore their communities, whether it is the classroom, their family, or their neighbourhood, and respond in a creative manner to their findings. Schools are encouraged to submit 3-6 artworks.

Submission Requirements

1 – Artwork label information submitted via fillable web form no later than 15 March. A paper copy of the label must be affixed to the back of the artwork in order to identify it upon delivery.

2 – Parental release forms must be originals (with signatures) and submitted with the artwork between 4-12 April.

3 – All two-dimensional work MUST be framed and wired, ready to hang. Artwork that is not ready to hang will not be accepted. Three-dimensional work should be accompanied by a diagram indicating how it is to be displayed.

4 – A brief Artist Statement completed by the student describing how the artwork responds to the theme *Creative Communities*.
