

EXPRESSIONS 46

Through a New Lens

27 MARCH to 23 MAY 2021

Call for Submissions

Waterloo Regional Public, Catholic, and Independent Schools are invited to submit original student artwork for *Expressions 46*.

Students are asked to respond to the theme *Through a New Lens*, inspired by Alexa Urbina's *Duo Amphibians*. We encourage students to consider the changes and shifts that have occurred in their daily lives over the past year and how their home, school, and community are continuing to adapt to a new reality. Schools are encouraged to submit 3-6 artworks.

New in 2021

Short films and animations as well as digital photography and artwork will be accepted this year for our digital version of *Expressions 46*.

Update: *Expressions 46: Through a New Lens* will now be a digital exhibition.
